

HLAA-LA Young Adult Ambassador

Our college scholarship awardee will become the Young Adult Ambassador(YAA) for a **period of one year beginning in September**. During this time, the **YAA must attend at least two chapter meetings, one social event and participate in the annual Long Beach Walk4hearing**.

Additionally, we would like to be kept abreast on how things are going in school as it relates to the challenges of hearing loss and the ways in which you are coping and being accommodated. Throughout your term, you will meet via Zoom with a Steering Committee member to assess your progress and for any support that you may need.

❖ Other things that the YAA can do to **promote our chapter and be a voice for HOH people** are:

1. Create a “thank you” video to post on social media.
2. Collaborate with HLAA-Los Angeles on our social media pages.
3. Join us at outreach events.
4. Invite a friend to the meetings and social events.
5. Become a member of our national organization via a student membership.
6. Become a member of DREAM (disability, rights, education, activism, and mentoring), a national organization for and by college students with disabilities.
7. Do outreach on campus to connect with other HOH students as well students whose parents are HOH.
8. The YAA may also suggest to our chapter other ways in which she/he may be impactful.

YAA Name: _____ Date: _____

YAA Signature: _____
